

LEAF MOBILE ANNOUNCES NAME CHANGE TO EAST SIDE GAMES GROUP AND PROVIDES CORPORATE UPDATE

Vancouver, BC, December 6, 2021 – LEAF Mobile Inc. (TSX:LEAF) (OTC:LEMLF) (“**LEAF**” or the “**Company**”), Canada’s leading free-to-play mobile game group, announces that it will proceed with a name change, which will be accompanied by a trading symbol change to “EAGR” on the TSX, and commence operations under the trade name “East Side Games Group”. In addition, the Company announces the appointment of Jason Bailey as Executive Chair of the Company’s board of directors and the filing of a preliminary base shelf prospectus.

East Side Games Group Inc.

“We’ve been working on this change for some time, and it represents a change in our trade name; not our purpose, our vision, our structure, or how we operate and it comes at an exciting time in the Company’s growth as we ramp our launch slate of new games and further scale our Game Kit partners,” said Darcy Taylor, CEO of East Side Games Group. “East Side Games has built an awareness across the mobile game industry over the past 10 years as one of the leaders in the casual games space since the founding of the studio in 2011. We see this change as an opportunity to build on this heritage and as a simplification of our brand to maximise shareholder value.”

The Company intends to seek shareholder approval to formally change its legal name to “East Side Games Group Inc.” at the next meeting of its shareholders. Until such time, its legal name will remain as LEAF Mobile Inc. d/b/a East Side Games Group Inc.

Trading of the Company’s common shares will commence under new symbol “EAGR” on the TSX effective at the opening on Wednesday, December 8, 2021.

Board Chair

The Company announces that Jason Bailey, director and Chief Revenue Officer (CRO), has been appointed as Executive Chair of the Company’s board of directors as part of a planned transition, in addition to his ongoing role as CRO. Michael Edwards, the former chair will remain as a director on the board.

“I am honoured to be named as Executive Chair and look forward to bringing leadership and driving tremendous growth across the entire organization. Since the founding of East Side Games over 10 years ago, we’ve worked hard to establish ourselves as a voice for underserved

audiences and as a builder of engaging content. This commitment hasn't changed as we continue to grow our brand internationally and cement our reputation as not only a game developer, but also as a publisher, and a provider of innovative platforms for developers. I have never been more excited about our growth prospects, as we build on the vision and legacy of East Side Games to reflect our journey and who we are as a company," said Jason Bailey, newly appointed Executive Chairman of East Side Games Group.

Preliminary Base Shelf Prospectus

The Company announces that it has filed a preliminary short form base shelf prospectus (the "**Preliminary Shelf Prospectus**") with the securities commissions in each of the provinces of Canada excepting Quebec, with a view to providing the Company with greater financial flexibility going forward, but has not entered into any agreements or arrangements to authorize or offer any Securities (as defined below) at this time.

When made final or effective, the Preliminary Shelf Prospectus will allow the Company to undertake offerings of its common shares, warrants, debt securities, subscription receipts and units (collectively, "**Securities**"), or any combination thereof, up to an aggregate total of \$200 million from time to time during the 25 month period that the final short form base shelf prospectus remains effective. The Securities may be offered in amounts, at prices and on terms to be determined at the time of sale and, subject to applicable regulations, may include "at the market" transactions, public offerings or strategic investments.
